

LIVING CLEAN IN AN X-RATED WORLD

◀ **LEE HALL SR.**
Senior Pastor
Grace Christian Center

The goal of this breakout is to provide the Pastor or Leader with insight on the x-rated world in which we live and minister, knowledge of the traps of sexual sin and practical handles on how to overcome and live victoriously in these trying times.

ANNUAL MEETING BREAKOUT

MAIN POINT

The main point of this breakout is to provide Pastors and Leaders with insight on counting the cost our decisions.

- 1 GUARD YOUR HEART!**
Don't fall prey to the seductions of money, power, or the "other" person, no matter how innocent his or her actions may seem.
- 2 ACCOUNTABILITY IS KEY**
Confess your thoughts and actions to a prayer partner and agree in prayer for power over temptation.
- 3 AVOID ISOLATION:**
Do not be a lone ranger. Get in prayer with another pastor or leader and regularly pray together.
- 4 WHAT HAPPENS IN THE MIND STAYS IN THE MIND**
Do not allow yourself to think certain thoughts. Never forget— with Christ, you are victorious.
