

HOBBIES AND HEATHENS: EXPLORING YOUR DESIGN FOR HIS MISSION

◀ **BUDDY SAMPSON**
Pastor/Planter
Overland Church Durango

What happens when the Church’s methodology doesn’t blend with the God’s missional mandate?

Frustration? Discouragement? And worst of all, a felt sense that “our church just isn’t gifted for evangelism.” There is a solution, and in Colorado, it is a lot simpler than we may think.

This session will look at how Overland Church Durango turned a core team of 25 into a launch team of over 100 in one year. This session intends to propose a practical method to intentionally engage a community using our individual strengths and trusting God’s promises and power of the Holy Spirit.

MAIN POINT

The purpose of this session is to encourage and challenge Colorado pastors to engage their communities by pairing opportunities with individuals in the most natural way possible - real life in Colorado.

1

PRAY AND ASK THE LORD TO REVEAL YOUR GIFTS AND YOUR LOVES.

He intends to leverage your unique giftings and interests to reach the lost.

2

LIFT YOUR EYES TO SEE THE HARVEST.

Where are opportunities to engage the lost in your own social circles? Do you find yourself looking for friends or the lost in social opportunities/

3

EMBRACE THE AWKWARDNESS AND BE PATIENT.

Invite people over, do life on their terms (absent sin) and become someone trustworthy and worth listening to.

4

TUNE YOUR HEART.

Does your devotion to God result in a deep desire to see others worship him?
